1. The East Wing Building project was successfully completed within the allotted period of 5 months.

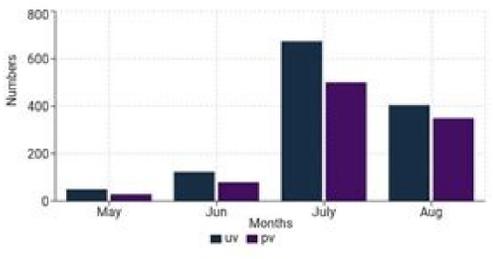

2. The construction of all future building projects will require more time in order to increase its quality and to ensure its safety for the student body.

Budget

Description	Total
Materials & Equipment Rental	\$2,000,000.00
Worker Wages	\$4,800,000.00
Total	\$6,800,000.00

Findings

- The findings were as follows:
1. The East Wing Building project was successfully completed within the allotted period of 5 months.
 2. The construction of all future building projects will require more time in order to increase its quality and to ensure its safety for the student body.

Competitor analysis free ppt template. Competitor analysis ppt templates free download. Free competitor analysis template powerpoint.

It is argued that most firms do not conduct this type of analysis systematically enough. Competitor Analysis Free Powerpoint Template Features 10 unique slides Fully editable and easy to edit in Microsoft Powerpoint 16:9 widescreen layout It includes high-quality vector graphics Clean designs ideal for presentations It contains slides for images, tables, flowcharts, and graphs. Profiling coalesces all of the relevant sources of competitor analysis into one framework in the support of efficient and effective strategy formulation, implementation, monitoring and adjustment. Include such things as target market, price, size, method of distribution, and extent of customer service for a product. Competitor analysis is an essential component of corporate strategy. You can clearly list all of the pros and cons of the competitor and determine how you will be able to take over their customers by providing better value for them. Instead, many enterprises operate on what is called informal impressions, conjectures, and intuition gained through the tidbits of information about competitors every manager continually receives. This free PPT template for competitive analysis can be used to decorate your presentations about competitors and analysis of competitors in PowerPoint presentations. The competitor analysis provides both an offensive and defensive strategic context to identify opportunities and threats. Evaluate your competitors by placing them in strategic groups according to how directly they compete for a share of the customer's dollar. For each competitor or strategic group, list their product or service, its profitability, growth pattern, marketing objectives and assumptions, current and past strategies, organizational and cost structure, strengths and weaknesses, and size (in sales) of the competitor's business. Download more free Powerpoint templates here [DOWNLOAD Competitive Analysis PowerPoint template](#) is a free PPT template for business topics that you can free download for presentations. Use the competitor analysis template to analyse your competition and know how to strategies and leverage your competitive advantage in the marketplace. To help you generate this list, think of what your customers would buy if they didn't buy your product or service. Our corporate solutions are designed for teams producing more than 100 slides per month. The segmented, color-coded circle representing the market in the last slide maps to the market share owned by the competition. For example, you can specify what sales of a product are expected in the first months of sales and what main competitive advantages your product has over similar products in this market. 24Slides is trusted by thousands of individuals and companies worldwide. You can brainstorm together and identify the competitive advantages of your product. This time you can take the best of PowerPoint presentations and your analysis to describe and expose outcomes from this experiment and analysis in a PowerPoint presentation. The Competitor Analysis PowerPoint Template helps you to discover your company's competitive advantage so that your company can attract the target market through the right strategy. This template will also be useful for startups when preparing to meet with business angels or potential investors. The competitor analysis template is perfect for deriving a perfect strategy on how to beat the competition The competition is inevitable and you need to know it well before you can make any profits in the industry. Click here. Get your presentation custom designed by us, starting at just \$10 per slide. Because of that, you will need to thoroughly analyze each of them and outline their characteristics. Discover your company's competitive advantage and gauge how your company has an edge and top the competition. Download as PPT file to edit on your computer. As a result, traditional environmental scanning places many firms at risk of dangerous competitive blindspots due to a lack of robust competitor analysis. This slide will enable you to separately describe each of the competitors. With the competitor segmentation slide giving you an insight into your competitor's share of the market, you are able to see their position and how they rank. With this evaluation, you can establish what makes your product or service unique-and therefore what attributes you play up in order to attract your target market. A glance at the competition grid will help you see where your product fits in the overall market. Across the top of the paper, list the main features and characteristics of each product or service. Export to JPG, PDF or send by email. This slide will enable you to conduct a successful strategy which will be very comprehensible and appealing to every audience. A competitive analysis is a critical part of your company marketing plan. Down the left side of a piece of paper, write the names of four or five products or services that compete with yours. Identifying the Competitors Slide Usually, one company has more than one competitor. Answer questions such as - Who are your competitors, What products or services do they sell, What is each competitor's market share, What are their past strategies. Also some people prefer to use this as a free puzzle game PowerPoint template PPT Size: 142.0 KiB | Downloads: 41,610 Download 1855 competitive_ppt.zip This template will enable you to identify the competitors and appropriately rank them Once you determine your position compared to the competitors, you will be able to provide better value to the customers. You can modify the color, text, resize icon and shape to suit your preference. A quick and easy way to compare your product or service with similar ones on the market is to make a competition grid. For a service, list prospective buyers, where the service is available, price, website, toll-free phone number, and other features that are relevant. Also, you will be able to easily edit it and update it when needed. To find out more we could set up presentation support for your team or company. You can successfully analyze the competition in 6 steps The 6 steps are simple and comprehensible and therefore, easily applicable to every company and industry. This template will be primarily useful for marketers and sales managers. You can easily identify the competitors, do an on-page analysis, do a backlink and PR Analysis, rank the competitors, analyze the competitors' traffic and benchmark the competitors. The slides in this template will help you immediately identify the weaknesses of your product and you can develop an action plan to address the weaknesses of your product compared to the competition. Share your presentation and design preferences via our easy-to-use order form View and give feedback on your slides directly on our purpose-built platform Your slides will be fully editable and you only pay once you're happy with the designs. In the template, each competitor is given a color code for easy discovery and comparison. Ranking of Competitors Slide Once you determine your biggest competitors, you can use this slide to properly rank them. Product managers can use this template when preparing a presentation for a new product to market. The template compares your competitors and rates their management, negotiation, and presentation. The slide design contains a light blue background color with a puzzle piece in the front end of the master slide with a bevel effect with down direction. Competitor analysis in marketing and strategic management is an assessment of the strengths and weaknesses of current and potential competitors. The slide design can be used for competitive analysis or as a free management library.
